

ROPECAR FACILITY UNDER CONSTRUCTION

ARULMIGU LAKSHMI NARASIMHA SWAMY TEMPLE,
SHOLINGHUR – 631102, VELLORE DISTRICT, TAMIL NADU

AN APPEAL

_Arulmigu Yoga Narasimha Swamy Temple is Situated at 750 feet height, to reach the hill temple we have to climb 1305 steps to make dharsan of Lord Yoga Narasimha and his holy consort Mother Amirthapallavalli Thayar. It is not easy to climb 1305 steps, especially for the aged and sick. Hence we started Construction of Ropecar Facility for this hilly temple.

We humbly request the generous and large hearted to donate liberally to the Ropecar Project.
